

As support for our Chair, we are looking for a

## **RESEARCH ASSISTANT**

### **Studentische Hilfskraft (Hiwi)**

The Chair of Political Economy, held by Prof. Dr. Nora Szech, is part of the ECON institute. Our main research topics are market design, behavioral economics and experimental economic research.

#### **Your tasks as research assistant at our chair:**

- Support of our game theoretic teaching and research in this area.
- Preparation of experiments and support in conducting experiments.
- Literature research and preparation of subject matter.

#### **Your profile should include:**

- Reliability, openness and team spirit.
- High working motivation and willingness to acquire new skills.
- Good English skills.
- Having participated in the lecture “Auction & Mechanism Design” or being a Master Student.

We offer you the chance to actively engage in our research projects and experience diverse research methods and current projects at our Chair of Political Economy.

**Starting date:** August, September, or October 2018

**Working Time:** 20-40 hours a month

Please apply until May 30, 2018 with your CV and a transcript of records (Abitur and grades from your university studies) to Sibille Hackel ([polit.office@econ.kit.edu](mailto:polit.office@econ.kit.edu)).

We are looking forward to receiving your application!
