

As support for our Chair, we are looking for a

RESEARCH ASSISTANT

Studentische Hilfskraft (Hiwi)

The Chair of Political Economy, held by Prof. Dr. Nora Szech, is part of the ECON institute. Our main research topics are market design, behavioral economics and experimental economic research.

Your tasks as research assistant at our chair:

- Analysis of research data
- Survey programming
- Preparation of experiments and support in conducting experiments (e.g. at the KD² Lab)

Your profile should include:

- Reliability and team spirit
- High working motivation and willingness to acquire new skills
- Good English skills
- Prior experience with statistical software (ideally STATA) or a strong interest in learning software.

We offer you the chance to actively engage in our research projects and experience diverse research methods and current projects at our Chair of Political Economy.

Starting date: August, September, or October 2018

Working Time: 20-40 hours a month

Please apply until May 30, 2018 with your CV and a transcript of records (Abitur and grades from your university studies) to Sibille Hackel (polit.office@econ.kit.edu).

We are looking forward to receiving your application!
